

QuickMobile Ranks 21 Among Deloitte's Technology Fast 50™ Companies

VANCOUVER, B.C. – November 12, 2015 – For the third straight year, QuickMobile – the global leader in enterprise mobile meeting and event apps – is named as one of Canada's fastest growing technology companies in the 18th annual Deloitte Technology Fast 50™ awards for demonstrating bold innovation, dedicated leadership and growth. QuickMobile ranked 21 by increasing revenues by 421% since 2011.

The Deloitte Technology Fast 50™ program celebrates leaders in the Canadian technology industry and tracks the successful growth of Canadian-grown leaders. The program augments the broader Deloitte North American Technology Fast 500™ initiative with winners automatically eligible for this elite ranking.

QuickMobile's CEO David Smith stated, "We are thrilled to receive this award again this year. Our enterprise-ready mobile event and meeting platform is used by Fortune 500 companies all over the world for events of all sizes in every industry. As more and more enterprises look to hone their mobile strategy and use reliable event data to measure event success, QuickMobile provides the industry's only enterprise-grade platform to support the way people gather together to work—delivering greater ROI to the enterprise, unlocking new revenue streams and driving the business forward."

"Fast 50 companies are innovators that transform great ideas into stunning realities," said Robert Nardi, Technology, Media and Telecommunications Managing Partner for Deloitte Canada. "Their passion and determination makes them all inspiring success stories. They are vital to the Canadian technology sector."

To qualify for the Deloitte Technology Fast 50™ ranking, companies must have been in business for at least four years, have revenues of at least \$5 million, be headquartered in Canada, own proprietary technology, conduct research and development activities in Canada and invest a minimum of five percent of gross revenues in R&D.

About the Deloitte Technology Fast 50™

The Deloitte Technology Fast 50™ program is Canada's pre-eminent technology awards program. Celebrating business growth, innovation and entrepreneurship, the program features three distinct categories including the Technology Fast 50™ Ranking, Companies-to-Watch Awards (early-stage Canadian tech companies in business less than four years, with the potential to be a future Deloitte Technology Fast 50™ candidate) and the Leadership Awards (companies that demonstrate technological leadership and innovation within the industry.) Program sponsors include Deloitte, Bank of Montreal, Bennett Jones, OMERS Ventures and Vistara Capital Partners. For further information, visit www.fast50.ca.
